

# Saar Twito

Full Stack Web Developer

## 👤 Profile

Founder of [looshes.com](https://looshes.com) and [codingwithsaar.co.il](https://codingwithsaar.co.il). I am a professional speaker and instructor specializing in software development. I teach full-stack web development, covering a broad range of topics.

I've collaborated with renowned institutions such as HackerU, Ort Singalovski, and Limudey Hutz.

## 📁 Employment History

### Founder & Freelance Web Developer at Looshes

January 2022 — Present

- I established [Looshes](https://looshes.com), my company specializing in creating professional websites, providing consulting and lectures on software development, and offering a range of online software courses through our website.
- As a **Professional Speaker & Instructor**, I have instructed students in full-stack web development, comprehensively covering various subjects in this field. I have collaborated with several esteemed institutions, including **HackerU**, **Ort Singalovski**, and **Limudey Hutz**.
- Additionally, I built the website [Coding with Saar](https://codingwithsaar.co.il), which offers online software courses like Node.js, TypeScript, and more, with **over 200 members**.

### Full Stack Web Developer at M.S.Bit Ltd.

January 2021 — December 2022

I have successfully handled multiple projects for clients in Israel and around the world, working as a developer skilled in Angular, Node.js, MongoDB, and React.

## 🎓 Education

### Self-taught Programmer

I devoted significant time and effort to self-teaching programming by utilizing various online resources such as Udemy, Pluralsight, and YouTube.
